[Lively music plays as the drone begins its journey.]

[The drone travels across Eumemmerring Creek capturing aerial views beneath. Initially, the drone is travelling over Doveton Avenue, Doveton. There is a concrete channel and then grassed sections and underneath this section, there is a concrete drain [which is not visible].

Doveton Soccer club is then on the left, Eumemmerring Creek is still a grassed section.

Crossing over Frawley Road, the Doveton Tennis Club is on the right and Olive Road Sporting Complex is on the left. Eumemmerring Creek is a grassed section.

Following the bends of Eumemmerring Creek and over the Pedestrian bridge which connects Butler Street and Reid Oval.

The final view is of the concrete channel adjacent to Lace Street in Eumemmerring.

The end frame shows:

- Reimagining Eumemmerring Creek logo with people walking, riding and enjoying a creek.
- Logos of the Australian Government, Victorian State Government, Department of Energy, Environment and Climate Action, City of Casey, and Melbourne Water.
- A caption under the logos "This project is jointly funded by the Australian Government's Natural Heritage Trust under the Urban Rivers and Catchments Program and Melbourne Water".]
