Living with flood risk can be worrying, but there's things you can do now to prepare and stay safe

Stay informed by downloading the VicEmergency app and setting a watch zone.

Make an emergency plan. Visit redcross.org.au/prepare

Prepare an emergency kit. You may need to take care of you, your family and pets for up to 72 hours before help arrives.

Floodwater can be very deep, rise quickly and move fast. Stay safe by avoiding flooded areas and **NEVER** driving through floodwater. Leaving early is always your safest option.
